Welcome to Wuxi

Brief Introduction of Wuxi

With a history of more than 3000 years, Wuxi has gained the reputation of “the Charming Pearl of the Taihu Lake” with its beautiful scenery, splendid talents and rich culture. Located in the center of China’s most prosperous Yangtze River Delta, it covers an area of 4,267 km² and has a population of 7.495 million. It is about a 30minutes and 4-hour high-speed train from Shanghai and Beijing respectively. Wuxi abuts the Taihu Lake in the south and the Yangtze River in the north. It is the member of the Trillion-yuan GDP Cities on the Chinese mainland and listed as No.2 in terms of per capita GDP in 2024.

Wuxi is one of China’s first 14 coastal open cities. Since then, Wuxi’s open economy has undergone a rapid growth. It now has 7 state-level development zones, 8 provincial-level ones, plus a series of key city-level industrial parks. By the end of 2024, 117 famous foreign multinational corporations of “Fortune 500” have established 247 projects in Wuxi.
